

Fall 2015 Final Exam Schedule

December 16, 2015 - December 23, 2015

Generally, your final examinations will be held in the regular classrooms. However, students should CONFIRM their examination date(s), time(s) and location(s) with their instructors PRIOR to final examination week.

Important Notes About Group Finals

- Students in day sections (starting before **6 pm**) of **Math 15000, 19500, 20200, 20900, and 39200** will have group final examinations on Thursday, December 17 from 3:30 pm - 5:45 pm. Students should check with the Math department for room locations for all group finals.
- Students in day sections (starting before **6 pm**) of **Math 19000, 20100, 20300, 20500 and 39100** will have group final examinations on Monday, December 21 from 1:00 pm - 3:15 pm. Students should check with the Math department for room locations for all group finals.
- Students in the CC, E, and R sections of Chemistry 10301 will have group final examination on Friday, December 18 from 10:30 am - 12:45 pm. Students should check with the Chemistry department for room locations.
- Important Notes to Faculty
- In the event that a student has two exams at the same time faculty should schedule a make-up exam for the student. If you are unable to accommodate a makeup you can arrange for the student to take the exam with an evening section instructor or with an instructor on another day.
- Final exams must be administered on the scheduled date and time.
- Students who have three exams on the same day may elect to take a make-up exam for one of the courses. The college's practice is that the instructor of the middle exam must allow the student to take a makeup exam.
